### CHELSEA

Mrs. Willard P. Townsend spent last week with relatives and friends in Barre City.

Archie F. Sanborn is very sick with the jaundice, following a run of the grip. Millard F. George, his clerk, is in charge of the store.

Mrs. Helen S. Annis, who resides on the west hill, is suffering from pneumonia, following a run of the grip. Other members of the family who were ill with the grip last week are making good recovery.

The regular monthly communication of George Washington lodge, No. 51, F. and A. M., will be held on Thursday evening of this week and it is hoped there will be a good attendance, as there is business of importance to come before the meeting.

Miss Mary Wells and her sister, Mrs. Sarah Skinner, and Mrs. Arthur H. Camp, who have been seriously ill, are all said to be improving.

Hon. David S. Conant of Bradford and James K. Howe of Tunbridge were business visitors in town Monday.

Mrs. George Kimball of Boston was called here recently by the alarming illness of her sister, Mrs. Carrie Camp.

Mr. and Mrs. E. G. Harrington of East Brookfield were in town Sunday as the guests of Mr. and Mrs. W. H. Sprague.

The mercury stood at 30 degrees below zero Monday morning in the village and water pipes in several houses and cellars kept the plumbers busy during the early part of the day. It was the coldest morning of the winter here thus far.

Dr. and Mrs. George J. Helmer of Nyack, N. Y., and Charles I. Hood of Lowell, Mass., were the guests of Mr. and Mrs. William F. Hood last week.

Arthur E. Dickinson, who went to Boston recently, is taking a course in the Hall school of barbering.

Fred E. Goodwin and son, Merin, were called to Washington last Saturday to attend the funeral of Mrs. L. D. Tilton.

Mrs. Goodwin and two younger sons, who had been with Mrs. Tilton for a week previous to her death, are remaining with Mrs. Tilton for a few days. Mr. and Mrs. Fred H. Bohannon from here also attended the funeral.

Webster D. Hook died at his home on the west hill Feb. 2 and the funeral was held from his home on Friday, Feb. 4. Rev. Robert Hazzard officiating. Burial was in the family lot in the west hill cemetery, the deceased being his sons, Herbert, Clarence and Eugene Hook, and his son-in-law, Bert Ashley. Mr. Hook was 60 years old and had been ill for several years with consumption. He is survived by his wife and eight children, all but two of whom were present at the funeral.

The ladies of the Methodist church will hold a chicken-pie supper, followed by a social, at the home of Mr. and Mrs. Charles H. Barow this evening. Arrangements will be made for transporting people from the village who have no other means of transportation. The invitation to attend is general and if the evening is stormy the supper and social will be postponed until Friday evening of this week.

Milo L. Sleeper, who for the past two years has been clerking for Horace H. Udall of Stratford, spent a few days in town last week as the guest of his mother, Mrs. Abbie L. Sleeper. He returned to Stratford Sunday.

At a regular meeting of Waterson post No. 45, G. A. R., held Saturday afternoon, Feb. 5, the newly elected officers were installed for the ensuing year: Commander, Thomas J. Quaide; senior vice-commander, Lyman D. Parkhurst; junior vice-commander, Fifield Bohannon; adjutant, Azeria Barnes; quartermaster, W. Hatch Chamberlain; chaplain, Curtis O. On Thursday night the club gives an entertainment in the hall. The program consists of musical selections, solos, duets, readings and a one-act play, entitled, "Our Aunt from California." Ladies are requested to bring boxes, which will be sold after the entertainment.

District Superintendent Ralph F. Lowe of St. Johnsbury held a quarterly conference at E. S. Locke's last Wednesday evening.

There will be a temperance program at the church on the evening of March 5. Make your plans to attend it.

The last grange program was largely on the life of Abraham Lincoln and was made very instructive and interesting by the lecturer, Mrs. Gertrude Carter. Her efforts should bring an increased attendance and renewed energy in the grange.

Following up their reputation for the unusual, the Waits River grange is at work on the plans for a midwinter picnic, to be held on the evening of Feb. 23. Anyone can attend a picnic in the summer and enjoy themselves, but a picnic in the winter, with many of the attractions of the summer and also of a county fair, is something new and the knowledge that admission to the hall and picnic is to be free adds much to the interest which surrounds the event. A capable fortune teller will be present, who will tell the past and foretell the future for a small sum. The management has made arrangements whereby a fishpond is to be installed, where for a trivial amount the lucky fisherman or maiden may catch a prize, although there will be no blanks. Booths, tastefully decorated, will surround the hall and will contain various toothsome dainties, which may be had in exchange for the coin of the realm. Various games and sports have also been provided for and a slight entertainment will be given. You had better plan to be present. Remember the night, Wednesday, Feb. 23. Arrangements are being made to accommodate all teams.

### Let Resinol Make Your Sick Skin Well

That itching, burning skin can almost certainly be healed! The first use of Resinol ointment seldom fails to give instant relief. With the help of Resinol soap, this soothing, healing ointment usually clears away all trace of eczema, ringworm, rash or similar tormenting, sleep-preventing skin-diseases quickly and at little cost. Physicians have prescribed Resinol ointment regularly for over twenty years, as you need not hesitate to use it freely. Sold by all druggists.

### Is Your Toilet Soap Injuring Your Skin?

Many toilet soaps contain harsh, injurious alkali. Resinol soap contains absolutely no free alkali, and to it is added the Resinol medication. This gives it soothing, healing properties which clear the complexion, comfort tender skins and keep the hair healthy.

### BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove it

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work.

People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system.

They do that which dangerous calomel does without any of the bad after effects.

All the benefits of nasty, sickening, griping cathartics are derived from Dr. Edwards' Olive Tablets without griping, pain or disagreeable effects of any kind.

Dr. P. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint with the attendant bad breath.

Dr. Edwards' Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color.

Take one or two every night for a week and note the effect. 10c and 25c per box. All druggists.

The Olive Tablet Company, Columbus, O.

### HOW TO REGAIN STRENGTH

The great factor that retards recovery after sickness is that weakened, devitalized condition, and it will interest our readers to know that our local druggist, Floyd G. Russell, proprietor of the Red Cross Pharmacy, has a reliable, non-secret strength creator called Vinol, which contains iron for the blood, the curative medicinal extractives of fresh cod livers and the nourishing properties of beef peptone, all combined in a delicious native wine. For weak, run-down conditions and to regain strength after sickness, there is nothing better.—Adv.
